TSURUGIHAGANE PRESENTS 2011 SUMMER
Translator: qaqtusman ~ Editor: Super Shanko

■This is the same Effie as on the cover. My initial plan was to use this picture as the cover. While I like it as a cover, the picture seemed a bit plain, so I moved it to the inside cover. I don't usually draw huge breasted characters, but I find it quite fun once in a while. Also, I often get requests from everyone to do it, so it has been on my mind...

■学校の体育館でまとめてみました。脈絡もなく全員裸という頭の悪い絵ですが個人的には気に入っております

■ [Mercelida-sama]
I had a hard time with this illustration. The inital plan was to include Judit, but it didn't turn out right. Before I knew it, it became a solo pic. If it was going to be that way, I should have done someone else, like Zelda. (Speaking of which, Judit alone would have been better than Mer-san!) Then again, Mer-san's outfit is sexy, so it seems good in color. The VA is Minaguchi-san! She had a very good parent-daughter dialogue with Lotte in the anime, so I think she's a good character.

■From here on is the monochrome illustration section. Certainly, I have quite a few pages, so there's no reason to leave them buried, is there?

■Lately, I have been working on monochrome illustrations. However, basic manga techniques, such as peta and cel shading, were usually used. This time, I tried using grey shadowing to do the expressions, so how did it turn out? It took less effort than I had personally thought, yet it looks quite impressive. This is how ero-illustrations should look. I'm thinking of including this technique from now on.

■This illustration is [Cu], the maid that works at the mansion. She is basically a plain girl. There hasn't been much of her shown... I'm looking forward to seeing more of her.

ZELDA & JUDIT
Uu- with this kind of uniform, I can't really swing my sword !?
●This is ZELDA and JUDIT. At first, I was going to draw a manga involving these two and Naoya, but when I realized it, it became an Effie manga... Whether in the manga, in color, or even in this monochrome illustration, Judit's appearance seems to get undermined. Doesn't it seem to just hate me?
●This illustration is the original palace guard, ZELDA, forced to dress in costume.

Ingrid Sorveig Sorgrims

■It's Ini, the loli-super scholar. Well, not so much loli as pedo. Though I hadn't planned on drawing such a lewd picture of her ..it just turned out that way.

■The illustration has her covered with just milk. It's not really the kind of scene you were thinking of now, was it?

HELGA &
CRIE
● THE TWO PRINCESSES OF THE DARK ELF TRIBE. CRIE HASN'T SHOWN UP YET IN THE ANIME VERSION. THE SETTING HAS HER WITH HALF OF HER SKIN TANNED LEAVING A SWIMSUIT TAN LINE. IN MY OPINION, THE AUTHOR WAS PURE GENIUS ON THIS PART.

近況報告＆奥付

●

「ぼちとご主人様」発売直前であります。当初の予定だと6月
発売予定だったものが延びてしまってすいません。
おおお、ここ最近コミケでは延期報告ばかりしてる気がする…
「ぼち」のあとは「碧の海」がでます！6分まるっきり
かかわってありませんが（いや、赤ペン先生はしてるか…）
浪馨のゆき恵さんが初原画（？）がんばっていますので
応援してあげてください。

冬からに比べて、小説はラインナップが増えました！
題材は引き続き順調に巻数が伸びております。とすがに
まだ未読の方に言ってくれというには厳しい巻数になってきましたが
興味ある方は読んでいただければ幸いです。
それ以外にも新シリーズとしてSD文庫から「とわいすあっぷ！」
スニーカー文庫から「ワールドエンド・ヴァルキリー」が各2冊
ずつ出ております。「～ヴァルキリー」は、ついにいちきヴァルキリー
が自社製品以外に採用されたということで、うれしかったです
これからもヴァルキリー増いていきますよー。
「とわいすあっぷ」は今出てる（ぬかな？）ジャンプSQに
着いてるおまけ小冊子に4つつ数本増いております。
これで一応ジャンプ作家の仲間入り！（怒られそう）
「はんとら」は…まぁそのうちでるのかなぁ？

●

イラスト仕事の方もぼちぼちやらせていただいております。
最近はアクエリ中心にぼちぼちと…一応アクエリは
新シリーズ都でキービジュアルの一部をやらせてもらえるっぽい？
よくわかりませんが…
あと、前回のあとがきでも一応書きましたが
画集無事発売しました！
今までのゲームの広報、とかイラストとか小説のイラストとか
もろもろ全部入ってますのでまだの方で興味ある方は
よろしくお願いします。
もろもろブログの方でも発表していきますのでよろしくお願いします

●

次回の予定は冬ですけど。毎回次回はイラスト本といいながら
エロパロをやってる現状はいかがなものかと思っております。
仕事がぼちぼち忙しいので、夏の間は冬のことは考えない！
そのとき出来そう&楽しそうな題材でやっていきたいと思います
本とはコミティアとかでヴぁるはらの焼きやいたいですけど
あれ、時間かかるからなぁ…

ではではまた次のイベントでお会いしましょう。
